

- The identification and mitigation of potential risk areas in our supply chains; and
- The protection of whistle blowers.

We also have a wider policy framework that sits alongside our Modern Slavery and Human Trafficking Policy (including a Whistleblowing Policy to protect whistle-blowers and a Code of Conduct).

Declaration

This statement is made in accordance with section 54(1) of the Modern Slavery Act and has been approved by the board of directors of International Schools Partnership Limited and constitutes our modern slavery and human trafficking statement up to the date of publication.

A handwritten signature in black ink, appearing to read 'S. Brown', is positioned above a horizontal bar. The bar is divided into three segments: purple on the left, green in the middle, and purple on the right.
